# TESTIMONIES

"Without the support of the Armer Foundation, I would have never been able to get the care my children so desperately needed. Again, Jennifer never said anything but how can I support? What do you need? I owe so much to everyone at the Armer Foundation, including all those that donate."

- Meredith, Raegan & Riley

"Thank you to everyone who has given to Armer Foundation. Your generosity does make a difference. It is so much more than a financial blessing for families but the gift of knowing they are not alone in this battle. We knew we had an army of people fighting with us. We have felt so loved and are in awe of our support from family, friends and strangers who we will never get the opportunity to thank."

- McFarland Family

"The Armer Foundation stepped in and gave our family hope and support when we felt helpless... The Armer Foundation lifts heavy burdens from families facing life threatening conditions during unimaginable times. We are forever grateful for their support."

- Abby Bickler, Mom
